MEMORANDUM FOR RECORD

SUBJECT: [REDACTED]

25X1

1. On or about 9 July 1948 [REDACTED] again came to me and requested that I arrange to promote him, and reiterated his desire to have a chance at editorial work. I informed [REDACTED] that I would give him a decision after his return from two weeks leave, on which he was to depart on 12 July 1948. I told him that if he were detailed to the Editorial Division it would be on a trial basis and that it would be necessary for him to agree to work at night so that he could be used in the Wire Services Section, if it were necessary.

2. On 13 July 1948 [REDACTED] again came to my office and stated that he had thought my proposal over and that he did not desire to work at night, and if his detail to the Editorial Division carried that proviso with it, he desired to remain in his present position, i.e., clerk, in the Special Reports Division.
